

## Waitaki District Council – District Plan Early Engagement

The purpose of this survey is to get a better understanding of what landowners think of the changes being proposed for the Waitaki District Plan. We are seeking early feedback from landowners who may be affected by the changes we're proposing, to help us fine tune the draft District Plan before we release it for wider community feedback later this year.

Please note: Responses may be made publicly available. However, as much as possible, any identifiable information and comments will be removed.
